TOWN COUNCIL COMMUNICATION

MEETING DATE: March 23, 2026

FROM: Matt Cox, Director of Community Development

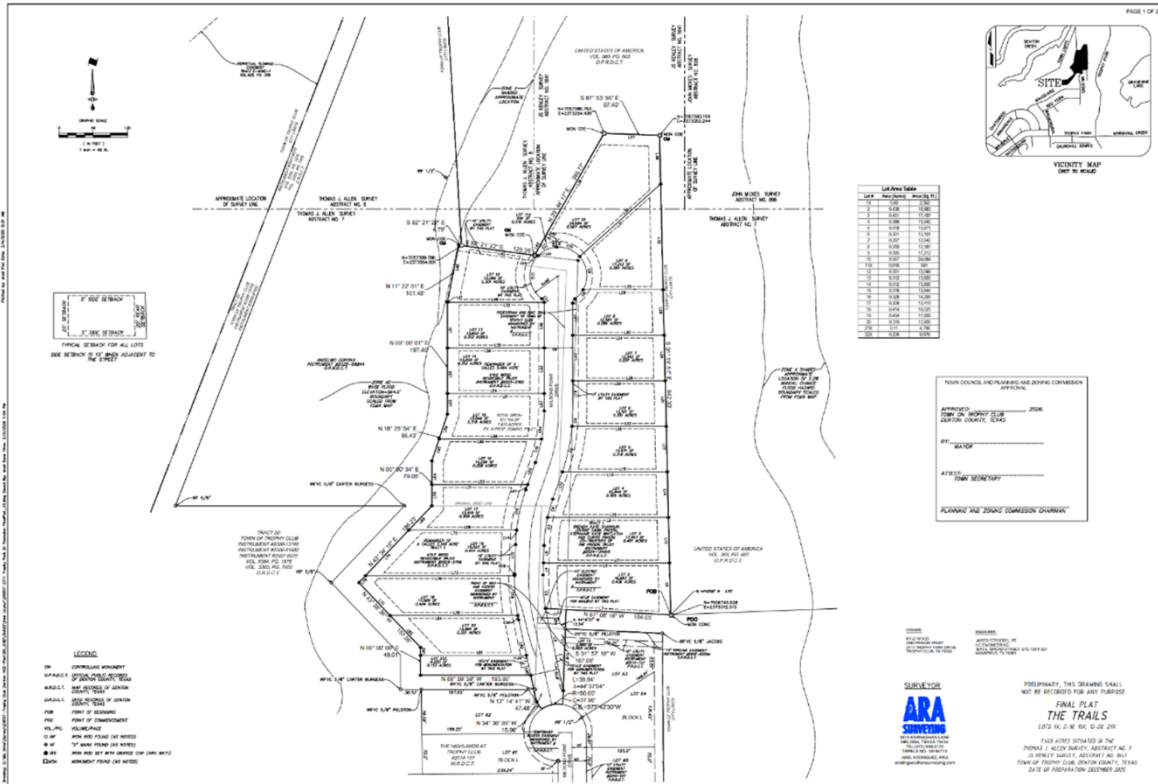

AGENDA ITEM: CASE FP-26-001 The Trails (Final Plat)

Consider a final plat request for "The Trails", an 18-lot single-family residential subdivision on approximately 7.603 acres, generally located north of Macquarie Street and Milson's Point Drive, situated within the Thomas J. Allen Survey, Abstract No. 7, and the JS Kenley Survey, Abstract No. 1641, Town of Trophy Club, Denton County, Texas. (Matt Cox, Director of Community Development)

BACKGROUND/SUMMARY: The Town of Trophy Club received an application from Foxwood, LLC, property owner and applicant, requesting approval of a Final Plat for "The Trails," an 18-lot single-family residential subdivision on approximately 7.603 acres generally located north of Macquarie Street and Milson's Point Drive within the Thomas J. Allen Survey, Abstract No. 7, and the J.S. Kenley Survey, Abstract No. 1641, in Denton County, Texas.

The subject property is located within Planned Development District No. 27 (PD-27). On December 8, 2025, Town Council approved Ordinance No. 2025-36 amending PD-27 to incorporate recently annexed property into the zoning district and allow development of the subdivision. On January 12, 2026, Town Council approved the preliminary plat for "The Trails" with the condition that the applicant revise the PD-27 Concept Plan and Development Standards prior to submitting a final plat application. On February 23, 2026, Town Council approved Ordinance No. 2026-07 amending PD-27 to update the Concept Plan and Development Standards for the subdivision.

The proposed final plat includes 18 single-family residential lots ranging from approximately 12,500 to 24,700 square feet. The plat also identifies Lot 1X, which will be owned and maintained by the Homeowners' Association (HOA); Lot 11X, which will contain a private lift station to be serviced by Trophy Club Municipal Utility District No. 1 and maintained by the HOA; and Lot 21X, which is proposed to be conveyed to the Town of Trophy Club for preservation of the existing linear trail system.

In conjunction with the final plat, the applicant has submitted easement abandonment documents to remove existing easements that conflict with the proposed subdivision layout. These include the abandonment of a 10-foot electric easement (approximately 327 square feet), a pedestrian and bike trail easement (approximately 27,622 square feet or 0.634 acres), a right-of-way access easement (approximately 6,793 square feet or 0.156 acres), and a temporary access easement (approximately 2,901 square feet or 0.067 acres). These abandonments are necessary to accommodate the revised subdivision layout and internal street configuration and will be replaced or reconfigured as needed through the final plat and civil engineering plans to ensure continued utility access, drainage, and connectivity consistent with Town standards.

The subdivision layout reflects a low-density residential design consistent with PD-27 development standards and illustrates proposed lot configurations, street alignments, drainage and utility easements, and open space tracts. Public infrastructure associated with the development will include internal streets constructed to Town standards, water and sanitary sewer service coordinated through Trophy Club Municipal Utility District No. 1, drainage facilities designed to meet Town engineering criteria, and fire protection subject to Fire Marshal review. All public improvements will be further evaluated during civil construction plan review.

Staff has reviewed the final plat application and finds the submittal to be in general conformance with the Town of Trophy Club Subdivision Regulations, PD-27 zoning

requirements as amended by Ordinance No. 2026-07, and applicable engineering design standards. Any remaining technical comments identified through staff and consultant review will be addressed prior to filing of the final plat.

BOARD REVIEW/CITIZEN FEEDBACK: At the March 12, 2026, Planning & Zoning Commission Meeting, the commissioners unanimously recommended approval, by a vote of 6-0.

FISCAL IMPACT: There is no financial impact associated with this agenda item.

LEGAL REVIEW: Town Attorney, Dean Roggia, has reviewed the Final Plat as to form and legality.

Kenley Survey, Abstract No. 1641, Town of Trophy Club, Denton County, Texas, subject to compliance with all applicable Town of Trophy Club Subdivision Regulations, Engineering Design Standards, and PD-27 zoning requirements, and addressing all remaining staff and consultant review comments prior to filing the plat with Denton County.
